

RIMBEY CHRISTIAN SCHOOL

Rimbe Christian School 2023-2024 School Fee Schedule

Our Mission: Christ-centered education: Discovering and developing students’ gifts for service in God’s Kingdom.

Our Vision is to provide high quality education that:

- Develops inter-denominational Christian values in a joyful and inclusive environment,
- Displays and magnifies Christ in all things,
 - Supports and values all students,
 - Builds positive relationships,
 - Aligns with the Alberta curriculum.

Dear Parents/Guardians:

In support of its mission to serve parents with Christ-centered education and keeping tuition affordable for all, the Rimbe Christian School Board has adopted the following fee schedule, designed to provide a good learning environment and appropriate resources for our students. Government grants and donations from the supporting community are not sufficient to provide the education our children require. Therefore we ask that parents covenant together to share the cost through an equitable tuition fee.

For parents who truly desire Christian education for their children, but are unable to afford the set fees, we wish to work with you to make this desire possible. In this event, please refer to the Tuition Program form included with this package.

In His service,
Rimbe Christian School Board

Rimbey Christian School Tuition Program

The need for tuition in a Private Christian School

It is a privilege to have Christian education available for our children. RCS is a private, independent school that is an Alberta accredited school that infuses Christian principles within the teaching framework. The government funds only a portion of our annual operating costs. Therefore, there is a need to charge tuition. Tuition and fundraising are required to pay for maintenance of the building, busing and the Christian component of our educational curriculum.

The Purpose of the Tuition Program

The purpose of the Tuition Program is to provide financial assistance for parents/guardians who are unable to pay the full cost of Christian education.

Because we as parents believe it is our God-given responsibility to train up our children in the way they should go (Proverbs 22:6) we send our children to Christian schools. It is the desire of Rimbey Christian School that Christian education be made available for every family who sincerely desires Christian education for their child(ren). As Christians, we recognize that all we have comes from God, and that we are simply stewards of God's possessions. We are, therefore, thankful and grateful for what God has provided. And so, it is our joy to be able to share with those who are in need as we seek to extend God's kingdom together. If you desire to send your child to Rimbey Christian School, and would like to further discuss the Tuition Program, please contact the school treasurer, Mr. Darren Dolman @ 403-704-0802

What is Required of You?

Rimbey Christian School believes that Christian education for your child is a partnership between home and school. We expect that you embrace wholeheartedly our school and all it stands for. This means participation in school activities such as: community building events (skating and soup supper, family spring celebrations), society meetings and fundraisers.

Where possible no one will be denied Christian education for financial reasons.
